Reasons for Allowance

Applicants' response to the last Office Action, filed July 19, 2004 has been entered and made of record.

The following is an examiner's statement of reasons for allowance:

Independent claims 1, 5, and 9 are allowable over the prior art of record. Claims 2-4, 6-8, and 10-12 depend from claims 1, 5, and 9 respectively, therefore, are allowed.

Independent claims 1, 5 and 9 recite the limitations of : indicia representing the color or shade palette values on a panel, the indicia being printed without a boundary to represent a color or shade to be printed. The combination of these features as cited in the claims in combination with the other limitations of the claims, are neither disclosed nor suggested by the prior art of record.

The closest reference of US 6252996 to Punam discloses a method for creating a hand paintable panel with indicia. However, he does not teach the limitations of cited above.

In view of the amended claims and the Applicant's arguments , the rejections to claims 1-12 are expressly withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
